2. Admission/Stand space confirmation

Admission of exhibitors and listed exhibits is a matter for the sole discretion of the organizer, who will confirm same in a written or text form stand space confirmation (e.g. e-mail).

The contract comes into force on confirmation of admission. Reservations or conditions stipulated in the application are invalid without the written confirmation of the organizer. If the content of the confirmation of admission differs significantly from the content of the application form, the contract is concluded in accordance with the confirmation of admission if the exhibitor does not object in writing within 2 weeks of receipt. A legal entitlement to admission does not exist. If the number of suitable applications received by the organizer before the application deadline exceeds the amount of space available, admission will be decided at the discretion of the organizer. The organizer is also entitled to limit the listed exhibits.

An exhibitor who has previously failed to settle his financial obligations to the organizer or settle them punctually may be excluded from admission.

3. Allotment of space

3.1 Allotment of space will be made by the organizer in accordance with the product groups and arrangement of the event concerned and subject to the space available. Siting requests made in the application form will be considered as far as possible. Order of receipt of applications will not be the sole deciding factor for allotment of space.

3.2 The organizer is entitled, if necessary, to alter the size, shape and position of the allotted space. He will notify exhibitors of the necessity for such alteration immediately and, if possible, offer a comparable space elsewhere in the exhibition. If this entails an alteration in the stand rental, reimbursement or additional payment shall result. Exhibitors are entitled to withdraw their application within 2 weeks of receipt of such notification.

3.3 Exhibitors must accept that the location of other stands at the beginning of the fair or exhibition may have altered since the time of admission; no claim may be made on account of such alterations.

3.4 Exchanging the allotted space with that of another exhibitor or transfer to a third party, even only in part, is not allowed without the permission of the organizer.

4. Joint exhibitors

Stand spaces are hired only as complete spaces and only to one contractual partner. Exceptions may be made to this rule, if necessary.

If several exhibitors wish to share a stand space, they must name a representative in their application form who is authorized to act on their behalf in negotiations with the organizer.

5. Co-exhibitors

5.1 The use of the stand space by another company with its own products and personnel (co-exhibitor) requires a separate application of the direct exhibitor and a confirmation of the application by the co-exhibitor itself as well as an admission by the organizer. Admission of one or more co-exhibitors is subject to a special fee.

5.2 Responsibility for ensuring that co-exhibitors fulfill all their commitments shall rest with the principal exhibitor, if applicable, in addition to the co-exhibitor. Apart from telephone number, fax number and e-mail address further personal data of the co-exhibitor will be recorded for the application. The organizer is entitled to exercise his right of lien and sell any distrained property on the open market after written notice of intention. No liability will be accepted for damage to seized items unless deliberate or caused by gross negligence.

7. Withdrawal of application, cancellation of part of stand space

7.1 If the exhibitor withdraws his application, cancels part of the stand space or does not participate in the event, the organizer is entitled to use the hired stand space or the cancelled part of the space for other purposes and relet to third parties. Any cancellation declarations made by the exhibitor must always be made in writing or in text form.

7.2 If the exhibitor possesses no mandatory withdrawal or termination right, he still remains obliged to pay the following cancellation fee on cancellation or partial cancellation after admission has been confirmed:

- up to 90 days before the start of the event 50%
- up to 30 days before the start of the event 80% and
- less than 30 days before the start of the event the full amount of the agreed rental for the cancelled stand space.

7.3 In the case of a measure pursuant to item 3.2, the cancellation period shall be based on the original stand space confirmation issued prior to the measure pursuant to item 3.2.

7.4 In each of the above cases, the exhibitor retains the right to prove that the organizer has saved costs not considered in the deduction and has benefited as a result of the cancellation, partial cancellation or non-participation. If other free spaces of the size let to the exhibitor are still available for the event, the exhibitor may not normally claim that the organizer has benefited from reletting the stand space or part of it or using it for other purposes, especially in terms of the rental obtained.

7.5 In case of a reduction of stand space without a cancellation fee after receipt of the stand space confirmation, the cancellation fee will be based on the originally calculated stand rent as agreed before the reduction.

7.6 The provisions of Article 7.2 also apply for co-exhibitors with respect to the additional fee to be paid by them in accordance with Article 5.1.

8. Cancellation of admission

The organizer is entitled to cancel confirmation of admission and relet the space elsewhere in the following cases:

- The stand is obviously not occupied in good time, i.e. at least 24 hours before the official opening of the event.
- The exhibitor fails to pay the stand rental at the agreed time and allows a period of grace granted by the organizer to lapse without result.
- An application to commence insolvency proceedings against the exhibitor's assets is lodged or rejected for lack of assets, or insolvency proceedings have already been commenced.
- The conditions for stand space confirmation are no longer fulfilled by the registered exhibitor or the organizer receives knowledge of grounds which would have justified exclusion if they had been disclosed earlier.
- The exhibitor infracts the organizer's site regulations.

The organizer or the NürnbergMesse GmbH reserves the right to assert claims for damages in such cases. The exhibitor has no entitlement to claim damages.

9. Cancellation of rental exhibition stands and other services

Once admission has been confirmed, the exhibitor must pay charges even if he withdraws his application or does not exhibit. The organizer also reserves the right to assert claims for damages. If the exhibitor cancels the order for rental exhibition stands and/or other services, the following cancellation fee is payable based on the value of the order.

- 90 days to 15 days before start of assembly (see Special Conditions for Participation) of the event 25% of the order value
- 14 days to 1 day before start of assembly (see Special Conditions for Participation) of the event 80% of the order value

10. Exclusion of exhibits

The organizer is entitled to demand the removal of items which have not been listed in the application form or prove to be dangerous, a cause of annoyance or otherwise unsuitable, or which can be proved to be a violation of industrial property rights. If this demand is not complied with, the said items will be removed by the organizer at the expense of the exhibitor. If a violation of industrial property rights by an exhibitor is proved (e.g. on the grounds of a valid court ruling against the exhibitor), the organizer may exclude the exhibitor from participating in a subsequent event.

11. Stand assembly, equipment and design

Stands must conform to the overall layout of the exhibition. The organizer reserves the right to forbid the erection of stands which are unsuitable or inadequate or to alter them at the exhibitor's expense.

Stands must be properly equipped and manned by qualified personnel at the specified times for the entire duration of the event. Stand fitting must be completed at the latest by the end of the period allowed for stand assembly and stands cleared of any packing materials. Removal of exhibits or dismantling of stands before the end of the event is not permitted.

Names and addresses of exhibitors must be clearly displayed on the stands. In case of discrepancies, the Special Conditions for Participation prevail over the General Conditions for Participation.

The approval of the organizer is needed if stand constructions exceed the specified height limits for stands. Consent is also needed for particularly heavy exhibits. Fixing to the hall floor is not permitted.

After the official closing of the event or after a measure according to 12.1 or 12.3 was taken that did not involve a continuation of the event, basic items, insofar as these have been provided by the organizer, must be returned undamaged and in their original condition. Damage caused through negligence or not immediately notified at the time of occurrence must be indemnified by the exhibitor.

12. Cancellation, change of place or time, interruption, closure of the event

12.1 After contract formation, the organizer may cancel the event in full or in part, change the location or time, or shorten, discontinue, interrupt or close the event if it is impossible to hold the event at the event location and/or at the event time in full or in part (according to Section 275 (1) - (3) German Civil Code (BGB)) or if there is a valid reason and the organizer or its vicarious agents are not responsible for the valid reason.

12.2 A valid reason within the meaning of item 12.1. exists

- when there are sufficient indications that holding or continuing the event would entail an unacceptable, concrete risk to life, limb or health, or
- when there are sufficient indications that holding or continuing the event would entail a concrete risk of considerable property damage, or
- if holding or continuing the event would be considerably impaired in full or in part or if such a considerable impairment is likely by reason of a natural event, epidemic, terror risk or attack, labour dispute, power outage, unexpected limitation of the usability of the event space due to official orders, official recommendations or restrictions or force majeure. A considerable impairment exists when the event cannot be held as planned and for that reason the purpose of the event for visitors, exhibitors and organizers cannot be achieved or only with significant restrictions.

12.3 After contract formation, moreover, the organizer may also cancel the event up to eight weeks before the start of the event if more than 60% of rented space compared to the registration status at the time of general distribution of approvals/stand area confirmations is eliminated due to the refusal or cancellation of other exhibitors, so that the event can no longer represent significant parts of the industry and therefore the purpose of the event for visitors, exhibitors and organizers cannot be achieved or only with significant restrictions.

12.4 The organizer shall decide at its reasonable discretion whether a measure will be taken and what measure will be taken according to item 12.1 or 12.3, also in consideration of the legitimate interests of visitors and exhibitors. If holding the event is completely impossible in accordance with Section 275 BGB, the organizer shall likewise always be entitled to cancel the event.

12.5 The organizer shall be obligated to immediately inform the affected exhibitors of a measure according to items 12.1 or 12.3.

12.6 If the event is cancelled before it begins according to items 12.1 or 12.3, the organizer and the exhibitor shall be released from their reciprocal contractual performance obligations. Any already paid stand rent and the remuneration for services agreed between the organizer and the exhibitor shall be refunded to the exhibitor.

12.7 If the event is discontinued, interrupted, shortened or closed after it has begun according to item 12.1, the organizer shall be released from its contractual performance obligation from this time onward or for the period of interruption. The stand rent shall be reduced in the ratio of the discontinued event duration to the planned total duration of the event. Reduction of stand rent shall be excluded in the event of an immaterial shortening or interruption of the event of up to 15% of the event duration. Any overpaid stand rent shall be refunded to the exhibitor. Insofar as services agreed between the exhibitor and the organizer can no longer be provided due to the measure according to Article 12.7 sentence 1 (e.g. discontinuation) or insofar as the provision of the not yet provided portions of services has become pointless as a result of the measure, the exhibitor shall only owe the remuneration attributable to the provided portion of the services. In case of an impossibility for which the organizer or one of its vicarious agents is responsible, the organizer shall not be entitled to the remuneration insofar as the exhibitor has no interest in the already provided portion of the service. Any overpayment of remuneration shall be refunded to the exhibitor.

The exhibitor shall owe the full remuneration for the service of individual stand construction as soon as the stand construction is completed.

12.8 If the event is shortened or if the place or time of the event is changed before it begins according to item 12.1, the new location or new time of the event shall be deemed to have been contractually agreed with the exhibitor if the exhibitor does not object in text form to the organizer immediately, but at the latest within 14 days after notification of the change or shortening. If the exhibitor objects on time, item 12.6 shall apply accordingly. If the exhibitor does not object, the services agreed between the exhibitor and the organizer shall also be performed at the new date.

These passes will be made out in the name of the persons concerned and must be signed. They are not transferable and only valid in conjunction with an identity card. Misuse of the passes will lead to their being withdrawn.

Connecting the medical technology supply chain

- 16. Direct selling**
Direct selling is not allowed unless expressly permitted by the Special Conditions for Participation, in which case objects for sale must be marked clearly with their prices. Exhibitors are responsible for ensuring that they obtain the necessary permits from the relevant trade and health authorities and comply with regulations.
- 17. Cleaning und stand space clearing**
The organizer is responsible for general cleaning of the grounds and hall passages. Stand cleaning is the responsibility of exhibitors and must be completed daily before the opening of the event. Exhibitors are to use the service contractor engaged by the organizer for stand cleaning. If the stand space is not cleared by the end of the official dismantling period, the organizer shall be entitled to charge a fee of EUR 300 per m². The organizer is also entitled to dispose of exhibition stands and/or exhibits left behind at the exhibitor's expense. The organizer accepts no liability for damage to, or loss of exhibition stands and/or exhibits left behind.
- 18. Supervision**
The organizer will arrange general supervision in the exhibition center. This shall not affect the liability provisions of item 19. Exhibitors are strongly recommended to make their own arrangements for the security of their stands and exhibition items and effect appropriate insurance cover. Valuable items which can be easily removed should be locked away at night. Additional stand supervision is available at the exhibitor's own expense by using the service contractor engaged by the organizer.
- 19. Liability, insurance, accident prevention**
19.1 The organizer bears unlimited liability only in cases of intent or gross negligence and for damages due to loss of life, bodily injury or damage to health. In all other cases the organizer shall be liable only
- in the event of a breach of cardinal obligations. Cardinal obligations are obligations of fundamental importance for the proper execution of the contract and which the exhibitor can expect to be regularly fulfilled;
 - if the organizer is legally obliged to take out liability insurance cover or this is usually the case;
 - if the organizer has claimed a special degree of trust or occupies a qualified position of trust.
- In these cases, however, the organizer is only liable for typical foreseeable damage (hence not usually liable for consequential damage) and then only up to a limit of EUR 100,000 for each case of damage. The liability limitation applies only to businessmen, juristic persons under public law and special public assets. Moreover, liability due to slight or ordinary negligence is excluded. This liability limitation also applies to the conduct of the organizer's performing and vicarious agents.
- 19.2** The exhibitor/co-exhibitor or joint exhibitor is liable for any damage to persons or objects caused culpably by himself, his employees, his representatives or his exhibits and equipment.
- 19.3** The exhibitor is fundamentally obligated to obtain adequate insurance protection himself. It is recommended that the exhibitor takes out exhibition insurance to cover the transport and sojourn risk. Such insurance can be arranged by the organizer under a framework agreement.
- 19.4** The exhibitor is obliged to fit the exhibited machinery and equipment with safety devices complying with the accident prevention rules of the appropriate professional associations. The organizer is entitled to prohibit the exhibition or operation of machinery and/or equipment at his discretion.
- 20. Protection of industrial property rights**
Protection of copyright or other patent rights of exhibits is the responsibility of the exhibitor. A six-months period of protection from the beginning of an exhibition by reason of the law relating to the protection of inventions, samples and trade marks of 18 March 1904 (RGBl. page 141) only takes effect if the Federal Minister of Justice has published a relevant announcement in the Bundesgesetzblatt (Federal Law Gazette) for the event concerned (see Special Conditions for Participation, Exhibition priority).
- 21. Domiciliary right and house rules, contraventions, no-smoking policy**
Exhibitors agree to accept the domiciliary right of the organizer during the event in all parts of the exhibition center. The house rules of the organizer or the NürnbergMesse must be observed. The instructions of the organizer's employees and representatives of the organizer or the NürnbergMesse, who possess official identity cards, must be complied with. Contraventions of the General and Special Conditions for Participation or instructions within the framework of the domiciliary right and the house rules shall entitle the organizer or the NürnbergMesse, if such contraventions continue after warning, to immediate closure of the stand at the exhibitor's own risk and expense and without claim to compensation. There is a general smoking ban on the entire exhibition grounds. Smoking is only permitted in specially marked areas.
- 22. Place of fulfillment and jurisdiction**
The place of fulfillment is Nuremberg. The same applies to the place of jurisdiction when the exhibitor is a merchant in his own right or a juristic person under public law or does not have a general inland place of jurisdiction. The organizer is also entitled to take legal proceedings against the exhibitor at the exhibitor's general place of jurisdiction.
- 23. Data protection notice**
Personal data will be processed by the organizer as the controller within the meaning of data protection law, and where applicable by the NürnbergMesse or by our service partners, with due regard to the data protection regulations applicable to the support and information provided to customers and interested parties and the performance of the offered services (legal basis: Art. 6 para. 1 letter b EU-GDPR). MedtecLIVE GmbH, Messezentrum, 90471 Nürnberg/ data@medteclive.de will be glad to answer any questions on this subject.
- 24. Data use for promotional purposes**
The organizer has an interest in cultivating the customer relationship with its exhibitors and providing them with information and offers about its own similar events and services. Therefore, the data transmitted with the submission of the application (company name, address, telephone/fax number and e-mail address) will be processed by the organizer and where applicable by service partner to transmit appropriate event-related information and offers by e-mail in accordance with Art. 6 para. 1 letter f EU-GDPR. **Objection to the use of data for purposes of direct promotion can be notified to the organizer at any time;** this also applies to profiling if it is directly related to the direct advertising. The objection can be notified without observing formal requirements and without indication of reasons and without incurring separate costs aside from the customary transmission costs at basic rates. The objection should be addressed to MedtecLIVE GmbH, Messezentrum, 90471 Nürnberg or data@medteclive.de.
- 25. Severability clause**
If any provisions of these Conditions for Participation are partially void or incomplete, this shall not affect the validity of the remaining provisions and the contract.
